The book is divided into three parts. The first part examines the political and economic policies of the Park Chung-hee regime. The second part analyzes the social and cultural changes that occurred during this period. The third part discusses the transition to democracy in South Korea.

The author argues that the Park Chung-hee regime played a key role in South Korea's economic development. However, she also argues that the regime's authoritarian policies stifled political and social freedoms.

The book also examines the role of the United States in South Korea during this period. The author argues that the United States played a significant role in supporting the Park Chung-hee regime and in shaping South Korea's foreign policy.

The book concludes by discussing the challenges that South Korea faces in the 21st century. The author argues that South Korea must continue to address the issues of political corruption and social inequality.

## **Reviews**

"This book provides a valuable overview of South Korea's political and social transformation from 1962 to 1992. The author's analysis is insightful and well-researched."

-Bruce Cumings, author of *The Origins of the Korean War*

"This book is a must-read for anyone interested in South Korea's political and social development. The author provides a comprehensive analysis of the period from 1962 to 1992."

-Don Oberdorfer, author of *The Two Koreas*
