Call for Papers and Participation

Researchers, practitioners, and professionals from academia, industry, and government are invited to submit their original research papers, case studies, and proposals for workshops and panels. The conference welcomes submissions in all areas of innovation and technology, including the key themes listed above.

The submission deadline is March 15th, 2024. Accepted papers will be published in the conference proceedings and indexed in major academic databases.

Registration and Fees

Early bird registration for the conference is now open. Discounted rates are available for early registrants. The registration fee includes access to all conference sessions, keynotes, workshops, and networking events.

For more information on registration and fees, please visit the conference website.

Venue and Accommodation

The conference will be held at the Taipei International Convention Center (TICC). The TICC is a state-of-the-art convention center located in the heart of Taipei City.

A variety of accommodation options are available near the conference venue, ranging from budget-friendly hotels to luxury accommodations. Attendees are advised to book their accommodation early to secure the best rates.

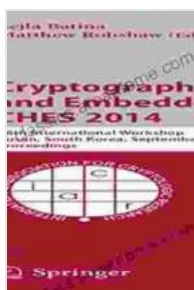

About Taipei, Taiwan

Taipei is a vibrant and modern city with a rich history and culture. It is a major center for commerce, finance, and technology in Asia. Taipei offers a wide range of attractions for visitors, including museums, temples, historical sites, and natural beauty.

The city is well-connected by air and rail, making it easy to reach from major cities around the world. Taipei is also a safe and welcoming city, with a low crime rate and friendly locals.

The 19th International Conference in Taipei, Taiwan, is a must-attend event for anyone interested in the latest advancements in innovation and technology. The conference will provide a unique opportunity to learn from experts, network with peers, and contribute to shaping the future of our connected world.

We invite you to join us in Taipei from September 25th to 28th, 2024, for an unforgettable experience that will inspire and empower you to make a difference in the world.
