Testimonials

"This book is a lifesaver! I've been struggling with gluten intolerance for years, and I've finally found some relief. The information in this book is clear and concise, and the recipes are delicious. I highly recommend this book to anyone who is struggling with gluten intolerance or celiac disease."

"I'm so glad I found this book. I was diagnosed with celiac disease last year, and I was really struggling to find information on how to manage my condition. This book has been a huge help. I've learned so much about

celiac disease and how to live a gluten-free lifestyle. Thank you for writing this book."

About the Authors

The authors of this book are a team of experts in gluten intolerance and celiac disease. They have decades of experience helping people get relief from their symptoms.

The lead author, Dr. Jane Smith, is a gastroenterologist who specializes in celiac disease. She is the director of the Celiac Disease Center at the University of California, San Francisco.

The co-authors, Dr. John Doe and Dr. Mary Jones, are both registered dietitians who specialize in gluten-free diets. They have worked with thousands of people with gluten intolerance and celiac disease.
