In "Anne Boleyn: Adultery, Heresy, Desire," historian Alison Weir paints a vivid portrait of this extraordinary woman. Weir draws on extensive research to reveal the true story behind the charges of adultery and heresy that led to Anne's execution in 1536.

Through Anne's own letters and the accounts of contemporary chroniclers, Weir explores the complex relationship between Anne and Henry VIII. She uncovers the motivations behind Anne's ambitious pursuit of the king's favor and the factors that led to their eventual estrangement.

Weir also examines the religious and political turmoil that engulfed England during Anne's lifetime. She shows how Anne's support for the Protestant Reformation made her a target of conservative forces within the church and the court.
