

International Journal of Media Culture and Literature: December 2024 Issue

Now Available!

The International Journal of Media Culture and Literature is a peer-reviewed academic journal that publishes original research on the intersection of media studies and literature. The journal is published twice a year, in June and December, and is available in both print and electronic formats.

International Journal of Media, Culture and Literature (Year 4 Issue 2 - December 2024)

5 out of 5

Language : English

Paperback : 76 pages

Item Weight: 4.8 ounces

Dimensions : 6.69 x 0.16 x 9.61 inches

The December 2024 issue of the International Journal of Media Culture and Literature features a special section on the topic of "Media and Social Justice." This section includes articles that explore the role of media in promoting or challenging social justice, as well as the ways in which media can be used to resist oppression and inequality.

In addition to the special section on media and social justice, the December 2024 issue of the International Journal of Media Culture and Literature also includes articles on a variety of other topics, including:

- The representation of race and gender in popular culture
- The impact of digital media on literary culture
- The relationship between media and democracy
- The use of media to promote social change

The International Journal of Media Culture and Literature is an essential resource for scholars and students in the fields of media studies, literature, and cultural studies. The journal provides a forum for the dissemination of new research on the intersection of these fields, and it helps to promote dialogue and debate on important issues facing our society today.
