Description

Journeys of Embodiment explores the embodied experience and its relationship to culture. This collection of essays by leading scholars in the field examines how the body is shaped by and shapes our experiences of the world. The contributors explore a wide range of topics, including:

- The role of the body in social interaction
- The body as a site of cultural meaning
- The body in pain and illness
- The body in art and performance
- The body in digital culture

Journeys of Embodiment is a groundbreaking work that offers a new understanding of the embodied experience. This book is essential reading for anyone interested in the fields of anthropology, sociology, psychology, gender studies, and cultural studies.

Reviews

Kirkus Reviews

A thought-provoking and insightful exploration of the embodied experience.

Publishers Weekly

A timely and important contribution to the field of embodiment studies.

Choice
