In the small town of Splinters, nestled amidst the towering mountains and dense forests of the Pacific Northwest, a dark secret lurks beneath the surface of everyday life. When a young woman is found brutally murdered, Detective Sarah Keller is called in to investigate. As she delves deeper into the case, she uncovers a web of twisted relationships, hidden motives, and a chilling supernatural force that threatens to consume the town.

Splinters David Clark is a haunting and atmospheric thriller that will keep you on the edge of your seat from beginning to end. Clark's writing is both lyrical and suspenseful, and he creates a palpable sense of dread that permeates every page. The characters are complex and well-developed, and their relationships are fraught with tension and secrets.

The novel's setting is as much a character as any of the humans who inhabit it. The Pacific Northwest is a place of both beauty and danger, and Clark uses the landscape to create a sense of isolation and claustrophobia. The towering mountains and dense forests seem to close in on the characters, and the constant rain and mist create a sense of unease and foreboding.

As Sarah Keller investigates the murder, she uncovers a dark secret that has been hidden for generations. The town of Splinters is built on a foundation of violence and bloodshed, and the supernatural force that threatens to consume it is a manifestation of the town's dark past.

Sarah must race against time to stop the supernatural force before it destroys the town and everyone in it. But as she gets closer to the truth, she realizes that she may be the only one who can stand against the darkness.

Splinters David Clark is a gripping and suspenseful thriller that will stay with you long after you finish reading it. Clark's writing is masterful, and he creates a world that is both beautiful and terrifying. Splinters is a must-read for fans of suspense, mystery, and horror.

About the Author

David Clark is a writer and editor living in the Pacific Northwest. His work has appeared in numerous literary journals and anthologies, and he is the recipient of several awards, including the Bram Stoker Award for Best Short Fiction. Splinters is his debut novel.
