## What is Stormvault?

Stormvault is a starter set for Warhammer Age of Sigmar, a popular tabletop wargame set in a rich fantasy world. It includes everything two players need to get started, including:

- 20 detailed miniatures from the Stormcast Eternals and Bloodbound factions
- A 96-page rulebook
- A double-sided game board

- Dice and other accessories

Stormvault is perfect for new players who want to learn the basics of Warhammer Age of Sigmar, as well as for experienced players who want to add to their existing collections.

## **The Story of Stormvault**

Stormvault tells the story of two rival factions, the Stormcast Eternals and the Bloodbound, who clash in a desperate battle for control of a magical artifact known as the Stormvault. The Stormcast Eternals are the elite warriors of Sigmar, the God-King of the Mortal Realms, while the Bloodbound are the savage followers of Khorne, the Chaos God of Blood and War.

The Stormvault contains a powerful artifact that could tip the balance of power in the war between Free Download and Chaos. Both factions are determined to seize it, and they will stop at nothing to achieve their goals.

## **The Miniatures**

The miniatures in Stormvault are truly stunning. Each one is finely detailed and captures the unique character of its faction. The Stormcast Eternals are clad in gleaming armor and wield celestial weapons, while the Bloodbound are adorned with skulls and other macabre trophies.

The miniatures are also very easy to assemble. They come on sprues that are designed to make it easy to remove the parts and put them together. You don't need any special tools or skills, just a little bit of patience.

## **The Gameplay**

Stormvault is a fast-paced and exciting game. The rules are easy to learn, but they offer a lot of depth and strategy. The game is played on a double-sided game board, which provides a variety of different terrain and obstacles.

Each player controls a warband of miniatures. Players take turns moving their miniatures around the board and attacking their opponents. The goal of the game is to destroy your opponent's warband or to capture the Stormvault.

Stormvault is a great game for both new and experienced players. It's easy to learn, but it offers a lot of replay value. There are a variety of different scenarios that you can play, and you can also use the miniatures to create your own custom games.

## **Expanding Your Collection**

Stormvault is just the beginning of your Warhammer Age of Sigmar journey. There are a wide variety of expansions and supplements available, which allow you to add new units, heroes, and factions to your collection.

You can also Free Download additional miniatures from the Citadel Miniatures range. These miniatures are available in a variety of different scales, so you can create armies of any size.

Stormvault is a fantastic starter set for Warhammer Age of Sigmar. It includes everything you need to get started, and it offers a thrilling and immersive gaming experience. Whether you're a new player or an experienced veteran, Stormvault is sure to provide you with hours of enjoyment.
