Not Your Nest is divided into three parts. The first part, "The Awakening," establishes the importance of financial independence and challenges the traditional societal expectations that often lead to dependency. Tsurumi argues that true freedom comes from being able to make choices based on your own values and desires, rather than the expectations of others.

The second part of the book, "The Blueprint," provides a step-by-step guide to creating a plan for financial independence. Tsurumi covers everything from budgeting and saving to investing and building a passive income stream. She emphasizes the importance of setting realistic goals, staying disciplined, and seeking support from others who share your vision.

The third and final part of Not Your Nest, "The Breakthrough," focuses on the mindset shifts and emotional barriers that can prevent you from achieving your financial goals. Tsurumi explores the role of self-limiting beliefs, fear, and procrastination, and offers practical strategies for overcoming these challenges.
