A Proven Framework for Community Success

Drawing upon decades of experience and research, David Spangler presents a clear and accessible framework for community building. He identifies the key elements that contribute to successful communities, including shared purpose, effective communication, collaborative leadership, and inclusive participation. Through real-world examples and case studies, Spangler demonstrates how these elements can be applied to create communities that are:

- **Resilient:** Able to withstand challenges and adapt to change.
- **Collaborative:** Working together to achieve common goals.
- **Inclusive:** Welcoming and valuing diverse perspectives.
- **Sustainable:** Meeting the needs of the present without compromising the future.
- **Thriving:** Experiencing a high quality of life and well-being.

Practical Tools and Inspiring Stories

Beyond its theoretical foundations, "Creating Community" offers a wealth of practical tools and resources to support community builders at all levels. Spangler provides step-by-step exercises, discussion questions, and case studies that can be used to facilitate community gatherings, develop strategic plans, and evaluate progress. The revised edition also includes inspiring stories from communities around the world that have successfully implemented Spangler's principles. These stories serve as a testament to the transformative power of community and provide valuable lessons for those seeking to create their own thriving communities.

A Timeless Guide for the 21st Century

First published in 1981, "Creating Community" has become a classic in the field of community development. The revised and updated edition remains as relevant and essential as ever, offering timeless insights and practical guidance for building strong and resilient communities in the 21st century. Whether you are a community organizer, a nonprofit leader, a business owner, or simply an individual seeking to make a difference in your neighborhood, "Creating Community" will empower you with the knowledge and tools you need to create a positive impact on the world around you.

About the Author

David Spangler is an internationally recognized author, speaker, and teacher on consciousness, spirituality, and community. He is the author of over 30 books, including the best-selling "The Laws of Manifestation" and "Everyday Miracles." Spangler has worked with communities around the world to promote sustainability, peacemaking, and the development of human potential.
